Customer Reviews

I was always curious about cooking in Dutch oven. I was never able to understand the concept of cooking without controlled temperature. I was surprised how awesome recipes and flavorful meals

can be created in dutch oven. I really needed to master the skills and I found this book very helpful in every step. The writing style was simple and engaging. Tips to prepare for cooking in dutch oven was informative. The recipes were also interesting. After two failed attempts I was able to make the lumber jack breakfast. It was very delicious and rich in flavor. I felt that it was worth my efforts. Looking forward to try the other recipes.

I find this selection of recipes to be perfect for our family cooking. Different ideas and recipes for all meals of the day, especially we love sheet pan dishes, they are really delicious and less troublesome to prepare. Vegetarian ideas for Dutch oven cooking helped a lot to make our menu healthier. Lots of recipes to try here, I'd recommend this offer to all.
