\*\*\* PERSONAL NOTE \*\*\*Thirty years ago I started *Living Among Nature Daringly Magazine*™, a periodical oriented towards homesteaders and other folks interested in going off-grid. One of the topics I always wanted to write on, but never did, was home-canning. I would have been thrilled to include excerpts of *Fresh Food in a Jar* back then.  
**Quick Overview**The writer has produced a thorough, detailed, How-To reference sourcebook that is nearly perfect. With only two exceptions, in my opinion, this is the ideal Kindle cookbook. To learn more as to what I loved, and what I wish was different, please read on and view the attached photographs.  
**Length:** Print, 257 pages.
