## **Customer Reviews**

I bought this as a birthday gift for my son (8 years old) who loves to play Minecraft and can sit for hours watching Stampy's videos. He's really enjoyed this book and often takes it out to run around the house asking everyone random questions or jokes. Some of the material is over his head a bit - but he enjoys it. For the price, you can't go wrong though. Just keep in mind that it's 99 jokes long, so the book is rather short. I certainly knew that buying the book, but it still feels light considering.

My son and daughter both love this! The jokes are cute without being offensive in the least - although they did have to explain the point of a couple.

good book but very short. i like it but its short. when wish it could be shorter. why is there a minimum to the comment

This book was hilarious. I could not stop laughing. They should definitely make a part 2. Awesome book. 1 billion out of 5.

My daughter loves Minecraft & I put jokes in her lunchbox everyday. These jokes are a twist on common jokes, but turned Minecraft related. They are all clean jokes & all safe for her to read. I often find when you Google kid jokes, they are still naughty. These are all clean & she loves them.

Jokes weren't very funny and for the most part did not relate to stampy

I DON'T CARE, I LOVE IT!! LOVE STAMPYLONGHEAD SO MUCH!HE'S A AWESOME FELINE FRIEND.(but he's not my friend:D)SOMETIMES BAD PUNS,THO:)

I got this for my 7yo for Christmas. He has been reading it and telling jokes nonstop since he opened it, so I call it a gifting success!
