# Chef In The Vineyard: Fresh And Simple Recipes From Great Wine Estates

## **Synopsis**

In his exceptional fifth book, *Chef in the Vineyard*, John Sarich presents over 140 wine-friendly recipes. The recipes are complemented by John's personal wine recommendations. Through a visual tour, John introduces ten of his favorite wineries. Each has a unique menu that features wines of that estate expertly paired with a multi-course meal designed for entertaining at home. The winery excursion surveys the unique features, history, terroir, and wines of each of the ten wineries. It begins with Washington State's historic Chateau Ste. Michelle and continues the journey through Washington, visiting Columbia Crest, Snoqualmie, Col Solare, Northstar, and Spring Valley Vineyard. Heading south, the tour explores Erath Winery in Oregon and onto California's Stag's Leap Wine Cellars, Conn Creek Winery, and Antica Napa Valley.

## **Customer Reviews**

"This is a beautifully illustrated book that is packed not only with recipes but also information on wineries, vineyards and the wine country lifestyle. This is volume is well worth adding to your bookshelf."Andy Perdue, Wine Press Northwest

John was an old fiend of mine and I just had to buy this edition. I love seeing him on the cover. And the wines and recipes are worth giving at least one or two a try. He had a good vision!

John Sarich, great master chef at Ste. Michelle Vineyard, has amazed a beautiful array of recipes

with fine wines. His untimely passing makes this volume his best.

Great book! Would have given it 5 stars except it does not say how many servings per recipe.
