Customer Reviews

I have been looking for a collector’s guide for the last several years and stumbled across this. As soon as the book arrived I could not wait to check the secondary prices for all my "friends".This book will be a wonderful help in getting an extra rider on my homeowners policy to cover my friends should anything happen to them.The pictures and descriptions in the book are outstanding and the supplemental information is invaluable. I have several friends that have multiple looks and it helped me to distinguish between the bears that have the same name but slightly different looks.If you are looking for the ultimate collector’s guide for Boyds Plush - you must get this book!!

I have collected Boyds Bears for years and there has been a serious gap in the Price Guide and information Guides for Boyds since Checkerbee went bust.This Bangzoom Tracker is FANTASTIC!!!!!!!!Color pictures, info, tons and tons of stuff I have and want and needed to put in some order!This is the way to do it with Sense and Brains!!!If you collect Boyds-you MUST buy this Tracker.Book or CD-rom; either way you need this to get your stuff organized, catagorized and

listed so you know what you have and what you are looking for!Great Job Bethy And Bangzoom!!!!!!!!!!!!!!!!!!

This is a must for Boyds Collectors. Great pictures and great information. Love the Paw Notes. A vast improvement from the First edition.

This book is an absolute must have for the true Boyds collector. It is the most accurate guide produced in years... a true Boyds encyclopedia. You won't regret the investment of this guide to find all the history behind your favorite Boyds pieces.

My mother in law recently passed away and she was also an avid Boyd's Bear collector....she had hundred's of Boyds....both the plush and resin....again another invaluable reference guide for those (like me) who have no idea about Boyd's.....they are so darn cute!

This is a very invaluable resource guide to Boyds Bears...it is done in an exceptionally easy to use format, with lots of good pictures to make sure of your bears' identity, complete with a good sense of humor

Great tool for finding information my collection , I just wish it would have info on recent more years. OH well have to wait for next release .
