# Self Instruction In Modern Lace-Making (Illustrated)

## Synopsis

This 1916 book is a no nonsense instruction of lace making intended for women who want to be self taught. The book includes more than 80 illustrations of lace stitches such as Point Grecque Bars, Sorrento wheel, Russian stitch, Point Dâ™Anvers, etc. There are also 18 pictures of beautiful lace pieces such as doily, centre-piece, handkerchief, collar and yoke. This book is not a scanned book. You can adjust font size, search and highlight.

## Customer Reviews

Prospective buyers should note that this book is for needle lace, not bobbin lace. The language is a little stiff, but this is a very good book for tape lace users, like those who make Battenberg lace, and has lots of different stitches and methods for joining designs.

This Kindle edition has pictures and they show up fine on my basic b&w Kindle. There are directions and pictures for 81 needle lace stitches. The Modern Lace is Battenberg lace which was modern at the time of printing. Some typos and some miscellaneous lace pictures added at the end. I think you

can learn to make the lace from this book.

There are none or very little images. If you are learning it is of NO help. Find a book that has as many images as possible

Great book on all sorts of lace
