I have been a huge fan of pokemon ever since I was a little kid. This book really will take you down memory lane and have you experiencing your childhood again! I really enjoyed chapter 6, which gives you so much insight into pokemon and secrets hidden. I great read with amazing information. Clear, concise and just amazing. Recommended!

I have always been a fan of Pokemon but I had no idea of the whole story behind Pokemon and the cast of characters. This book will show you amazing Pokemon secrets that I didn't even know. If you're a fan of Pokemon, read this book!

I got this book for my daughter who is still a huge fan of Pokemon. She could not put it down. The author does a great job of presenting fun facts about the characters and the game. There was a lot of stuff I didn't know about and it is a fun to read, especially if you are a fan of Pokemon. My daughter was really happy to learn about the hidden secrets. If you are a fan of Pokemon, you definitely need to read this book.
