Stuck On Fast Forward: Youth With Attention Deficit Hyperactivity Disorder (Youth With Special Needs)

Synopsis

From living with blindness, deafness, autism, or brain injury to struggling through the juvenile court or foster care systems, there are many types of special needs among youth today. This 15-book series explores the challenges facing youth with special needs, as well as the many types of services available to support these young people in their quest for personal achievement and social acceptance. By combining factual information with fictional stories, these books bring to life the struggles, challenges, and triumphs of youth with special needs, providing an education of the heart as well as the mind.

Customer Reviews

Mediocre. The story is not engaging and does not realistically depict the distress of young people with AD/HD. Here are some superb books for children and teens with AD/HD. Grades K-3Mrs.
