## Customer Reviews

We like the Gus books, I think they are one of the best easy readers for beginning readers. The only issue is my beginning reader daughter still feels "they are too long" and gets discouraged. I love that they use the same words a few times in the story to make it easier. They are a good step up from advanced reader BOB books for young or struggling new readers

Fun, low vocabulary, read ^ .

The Gus books are all so great! Our daughter loves sounding out the words and reading the stories together. I highly recommend them for beginning readers.

Not easy to find books with the name Gus on them, so these were perfect for our grandson. cute read and adorable!

I tutor reading at a local school and these Gus books are good for kids working on their reading skills!
