Customer Reviews

Very disappointing! This book has very little information on the value of nascar diecast and it doesn't have pictures to correspond with the item description. It lists the cars by team rather than just by dirver so it has maybe 10-15 max car models per TEAM. If you are into Nascar collectibles you know there are lots more than just 10-15 per team. This book leaves a lot to be desired.

I agree that this book has very little to offer someone who is interested in diecast collecting and diecast values. The book contains some interesting photos and NASCAR history, but mostly sizzle with very little steak. Save your money.

I did much better finding things on[...]

First of all, I HATE the BIG UGLY picture of American Car Racer..do not know his name, on the cover of the book. Second, I hate NASCAR and Cheap political HOT WHEEL junk I do not even care for looking at. The book should focus on HIGH QUALITY COLLECTIBLE BRANDS ONLY. What a waste of paper~!!!
