# Terri Lee Dolls Identification And Price Guide

## **Synopsis**

Collectors will love this warm encyclopedia guide to these distinctive baby boomer dolls of the 1940s and 1950s! All dolls are pictured in color with their original costumes and the latest collector prices. From the Gene Autry doll, to the Hispanic Terri Lee dolls, learn what makes these dolls so special to collectors! The book guides the reader through the background and creation of the Terri Lee dolls, from the early composition dolls, to the painted plastic, vinyl, and hard plastic dolls, to the recreation of Terri Lee dolls in 1999 and current introductions. Also features a price guide with year 2000 values!

## **Customer Reviews**

Basically this book is THE BEST if you are at all interested in the Terri Lee dolls and finding out which one you have, does it have its original clothing and what might it be worth. This wonderful guide begins with the background and creation of the Terri Lee dolls-- beginning with the early compo dolls, the painted plastic dolls, vinyl, and hard plastic, then their recreation in 1999 and also current introductions. It has absolutely fabulous clear color photos and all dolls are pictured with their original costumes and the latest collector prices (for the year 2000). Original boxes are shown for some, enlarged pictures of the accessories, and so much more! You won't be disappointed -- it is truly a well researched reference guide and the author deserves 5 stars for this book.

A rather disappointing book. Not as much information of Terri Lee herself. Would have liked more outfits pictured, and more specific information on the Terri Lee doll through history. Not what I had hoped for.

This book on Terri Lee dolls has some great pictures but not much information. If you really need help identifying the doll and clothes, this is not the book to buy. The book dedicates space to 1/4 page pictures of the author's grand children, Shirley Temple and lots of identical information. The same copy is duped onto different pages.
