## Two-Hour Teddy Bears

## Synopsis

It's so "bear-y" easy! If you've got 2 hours, basic sewing skills, and a few materials from a crafts or sewing supply store, you can make an adorable teddy bear to cuddle, display, or give as a gift! Most of these models don't require time-consuming and difficult techniques, such as small extra pieces, complicated curves, and jointing mechanisms--and the results are simply enchanting. Stitch Miss Willow in her lace apron; angelic Helouise with wings on her back; Colette holding a useful pincushion; and a cheery, merry Santa Bear. Place a card or valentine in Bearheart's open arms and present him to a loved one. Long-legged Benjamen appears ready for a hike, in his boots and knitted sweater, socks, scarf, and hat. There are 17 bears in all--complete with full patterns and helpful sewing hints! The author lives in Park City, UT. 128 pages (all in color), 8 1/2 x 11. NEW IN PAPERBACK

## Book Information

Hardcover: 128 pages

Publisher: Sterling (June 30, 1999)

## Customer Reviews

I made one of these bears and had the old chair to boot....she sets on my kitchen counter and watches me do dishes.....it is an outstanding book and fun book. Love it and looking forward to making more of these bears.
