Customer Reviews

Other than the basic tuna salad, I am not very adept at using fish - even canned tuna in my meals. Fish and I have never been on the best of terms. What a surprise that there are so many recipes available. Easy-to-use and tasty looking and sounding.

the panzanella and the tuna curried rice are really good and good for the waistline too. I there were a few recipes i didn't really like but I improved it and made it my own.

Canned Tuna is an easy way to start a great meal and I hope you find the recipes in this cookbook as good and easy as I do. Thank you.
