Fiesta: Warman's Companion

Synopsis

The dinnerware that "turns your table into a celebration" is giving its collectors more than a few reasons to enjoy the party. "Fiesta" is a vibrant and authoritative guide collectors can turn to for quick pricing and identification assistance wherever they are. This guide to the bright and abundantly fun: shows collectors more than 500 detailed colour photos including many rare pieces, which aid in making accurate identification; covers history of the company that brought the party to dining room tables, and inspires collectors to follow the evolution of Fiesta Ware; and, arms collectors with current values and rarity ratings, to make savvy collecting decisions. For everyone who knows how fun dining can be, this book is a must have.

Customer Reviews

Great little book for Fiesta fans, this little book is easy to tote around to antique stores, the pictures are great and pieces are organized with suggested values and prices next to the pictures. I like it better than the Huxford book.

This is a very compact, nice sized book that you can take along with you. It's well written, is packed with information but the BEST part is that it is ORGANIZED so you find what you are looking for even when you are all excited about your new find! Excellent.

The book is is the perfect size for carrying around but the greens are different on every page so it's impossible to tell what is Medium green and the lighter green. If that is not an issue for you though, this book is great.

I wasn't sure what I had until I got this book. It helped me identify my fiesta collection

I have this book and I am a Fesita ware collector. But when I bought this little book I paid full price!!.
My Daughter in law has now become a collector and I looked for the book on Amazom.com it was 1/3 the price!! The same book I sent it to her and she loves it,its like haveing the Feistaware bible.
Great little book

I buy, sell and collect FIESTA. This book is small enough I can carry to auctions and yard sale. I really like it
